

Meet Helen

Helen is a guidance counselor

She is committed to helping students:

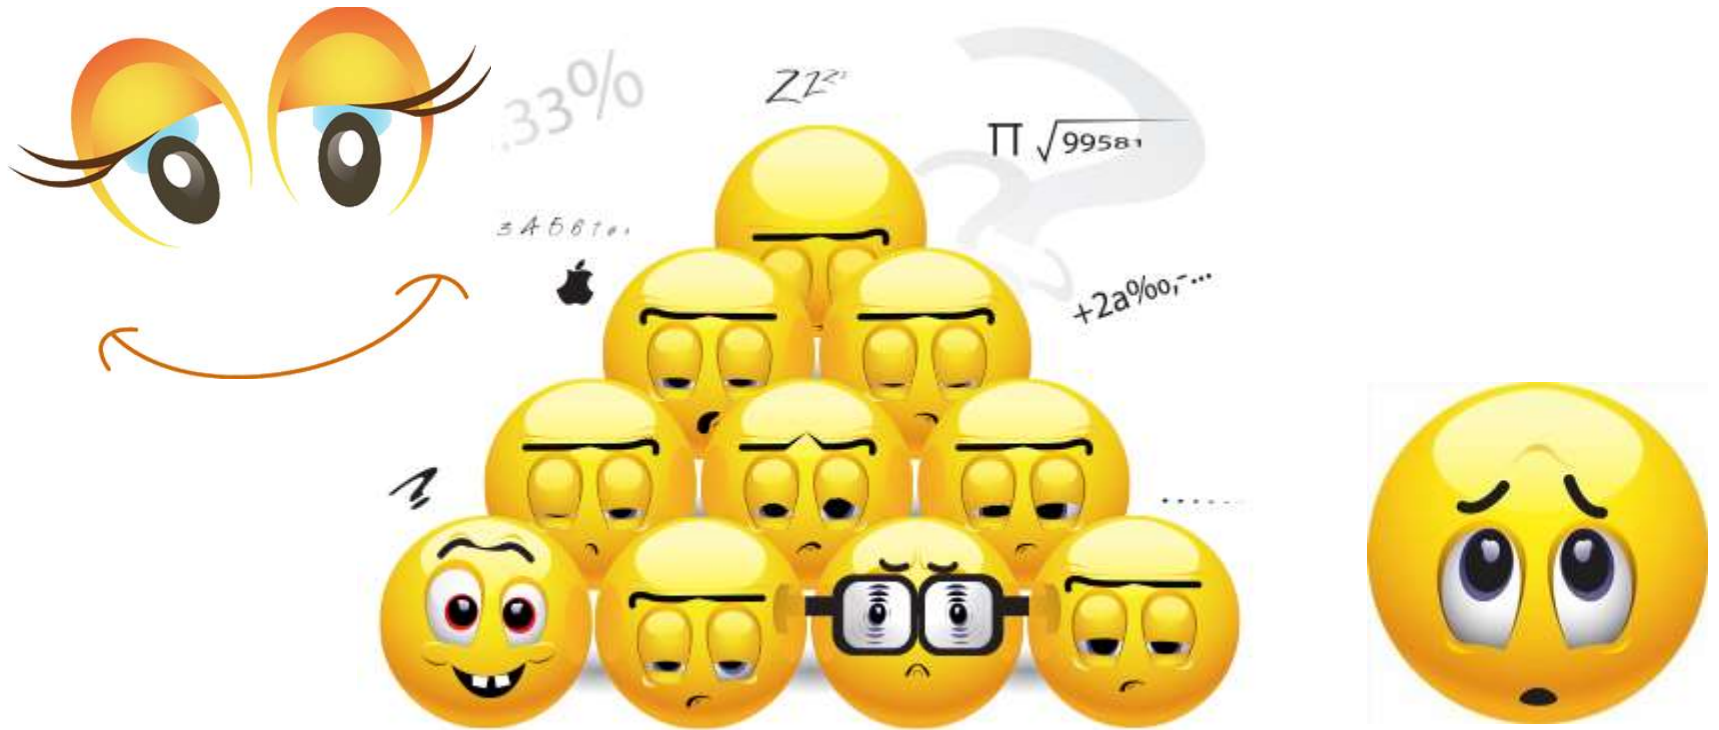

Identify

REWARDING CAREERS

and prepare for tomorrow

Helen was introduced to College Compass by a colleague at another high-school and she is excited about the potential.

Helen asks several students within a teacher's class to try College Compass - including **Henry**.

See Henry's Story Here

[His Story](#)

Henry reports back Enthusiastically to Counselor Helen!

He tells her about
his exciting new
career.

And shows her, he has an in-depth
understanding of expectations, daily life and
what he needs to do to succeed in his new
found area

Helen visits the Admin Area for

Helen is Thrilled!

She understands that College Compass can help her become more effective as a Counselor.

- Counselor can provide more SPECIALIZED student attention.
- Counselor can track student progress with measurable data
- Counselor can provide other leaders with measurable student results
- Counselor can provide colleagues with insight that enables them to better focus programs based on student Personalities and Career Interest.

AND

College Compass can GUIDE students towards careers that match their interest, offering a better opportunity for a more rewarding career and college experience.

College Compass also teaches students how to explore and evaluate critical life decisions
